SUMMARY

I'm Ruben, a Frontend Developer with 4 years of experience, passionate about web interfaces and psychology.
Today, I'm looking to take a new step in my career by joining your team as a **UIX Developer** (Frontend Developer with a focus on UX/UI).
With my expertise in implementing designs and creating themes across various technologies, I apply essential design and usability principles to optimize user experience and improve conversion rates.

PROFESSIONAL EXPERIENCE

- Feb. 2022 – Present
Cotonou, Bénin

Frontend Developer
White Devs
 - Developed static (SPA) and server-side rendered (SSR) web applications using Next.js
 - Built custom Shopify themes based on provided designs and specifications
 - Developed Shopify apps for wholesale vendors using Remix, Polaris, TypeScript, Prisma, and more
 - Optimized Shopify stores (loading speed, copywriting, product/cart pages, abandoned carts)
 - Translated Figma mockups into functional interfaces using React, Vue.js, Next.js, and e-commerce platforms like Shopify and Prestashop
 - Created open-source components for developer communities
 - Contributed to Inbound & Outbound marketing strategies: copywriting, advertising campaigns, cold calling, email marketing
- Apr. 2023 – Oct. 2023
Abomey-Calavi, Benin

Frontend Developer
Trois Ventes Services
 - Integrated Figma & Adobe XD designs into Shopify, WordPress, and Prestashop platforms
 - Implemented new features according to detailed specifications
 - Debugged and optimized performance
 - Built custom pages and features based on provided requirements
 - Worked closely with the backend team
 - Developed and redesigned Shopify applications and Prestashop plugins
- Feb. 2023 – Mar. 2023
Abomey-Calavi, Benin

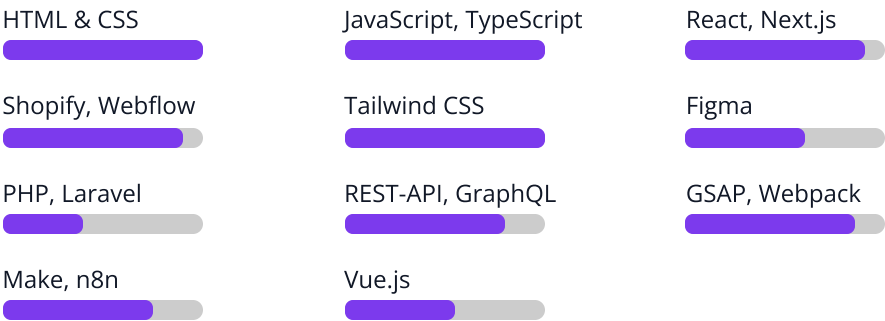

Frontend Developer (Internship)
IwajuTech
 - Contributed to the development of the first version of Yemi Services
 - Collaborated with design and backend teams
 - Built a Progressive Web App (PWA)
 - Wrote unit tests for ongoing projects

EDUCATION

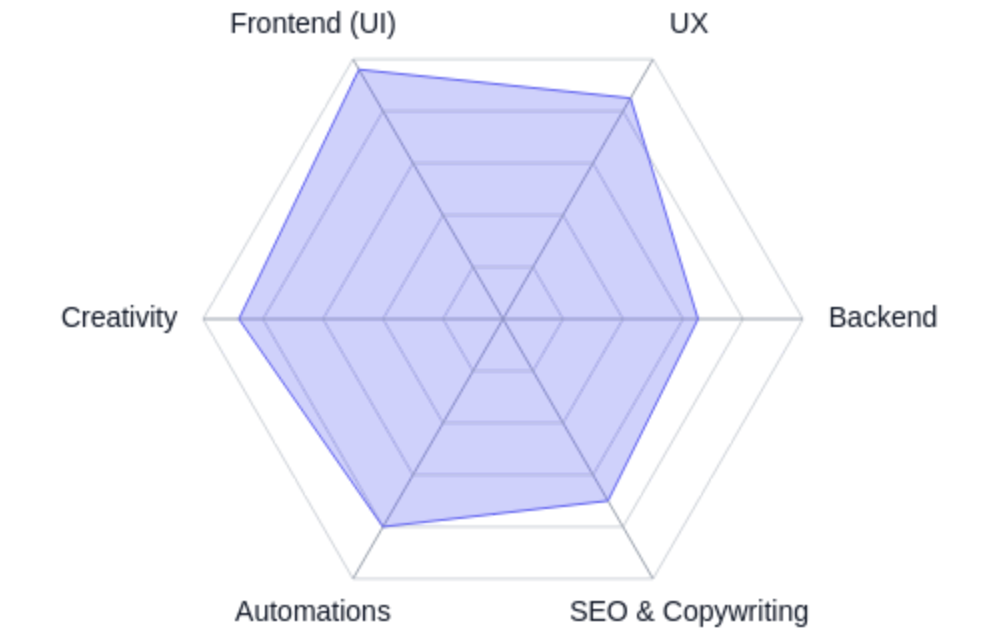

Bachelor's Degree in Computer Science & Telecommunications
Oct. 2019 – Jul. 2022, Lokossa – Benin

National Institute of Industrial Technology (INSTI)

TECHNICAL SKILLS
